Subject: Open Records Requests

Mr. Lamers - this office has been contacted to respond to and coordinate responses to three open records requests you sent to Jaden Schmidt, Oliver County Auditor. You characterized these as "Duty Roster", Sheriff's Office pay records" and "Camera and Vehicle policy."

In response to your request for the patrol schedule or duty roster of Oliver Countty Sheriff Deputies from July 1 Through August 10, 2026, I would note that records containing work schedules of employees of law enforcement agency are exempt and prohibited from disclosure pursuant to 44-04-18.3(3), N.D.C.C. As such, that request is denied.

In response to your request for pay records of Sheriff Hilliard and Deputy Ferderer from July 1 through August 10, 2026, and any overtime, I am requesting that Auditor Schmidt review and process that request with appropriate redactions. If that will cost more than $25, she will advise.

In response to your request for camera and vehicle policy, that should have been directed to the Sherriff's office. I will forward your request to the Sheriff's office and will then coordinate a response to your request, noting that you are requesting records only.
